

# LAMBETH ESTATES AGAINST DEMOLITION

**Meeting (food provided) 2nd March, 1pm - 2:30pm  
The West Indian Cultural Centre, 9 Clarendon Rd, N8 0DD**

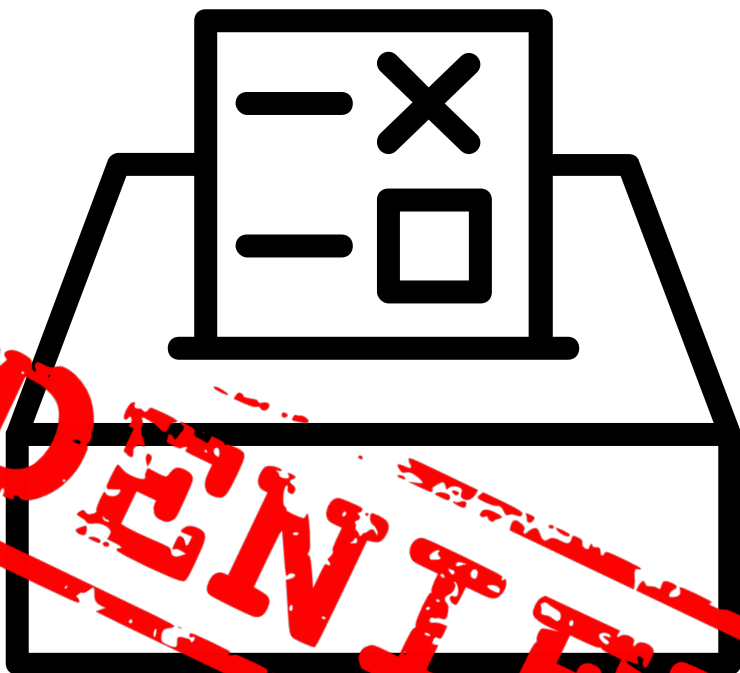

A chaired presentation and discussion with residents from Central Hill, Cressingham Gardens, and Westbury estates in the borough of Lambeth. The council have:

- ✳ **Denied ballots to residents.**
- ✳ **Ignored lower cost resident-led alternatives to demolition.**
- ✳ **Left homes to rot in the middle of housing crisis.**
- ✳ **Withheld vital financial information.**
- ✳ **Ensured council tenants lose their secure tenancies.**
- ✳ **Ensured homeowners are forced into shared ownership.**
- ✳ **Ensured temporary and private tenants will be evicted.**
- ✳ **Not sent a scrutiny committee decision back in 10+ years.**
- ✳ **Ran an illegal consultation - as proven in court.**
- ✳ **Funded their private development company to operate a £1.6b capital budget with little democratic accountability.**

**Lambeth is a rogue council!** We need the support of Labour Party members to ensure they adhere to the spirit of party policy on estate regeneration.
